

Commorados February 2025

We had a great turn-out and a wonderful time during our February Commorados luncheon. I would like to thank Carol Shirley Majors “Ms. Adams” for her wonderful presentation of an 1890’s school teacher. Her presentation was engaging, fun, and very informative. As you can see one student had the honor of wearing the bonnet of shame for being a sub-par student.

March Commorados will be held on Thursday, March 13th at 11:00 in the Fellowship Hall. We will have fun, fellowship, and a pot-luck lunch with a special program. I hope to see you there.
