A Word from Your Minister

Happy March! One of our Culture Statements for CBC is: We are contributors and not merely consumers. The church doesn't exist for us. We ARE the church and we exist for others. As Pace Setters, I would love for you to consider making an investment in our youth. You can help by making a donation to offset summer camp cost and invest in their spiritual growth. If you have question please reach out to Jon/Marsha in the office.
