

Commorados March 2025

We had a great turn-out and a wonderful time during our March Commorados luncheon. I would like to thank Christina Morgan for her wonderful presentation on ESL, Disaster Preparedness & Fostering. Her presentation was engaging, fun, and very informative.

April Commorados will be held on Thursday, April 10th at 11:00 in the Fellowship Hall. We will have fun, fellowship, and a pot-luck lunch with a special program. I hope to see you there.
