## *A Word from Your Minister*

Happy February!! February is often seen as a time for reflection and renewal, mirroring biblical themes of waiting and preparing for a new life. This aligns with passages like Isaiah 40:31, which speaks of those who wait on the Lord renewing their strength (but those who trust in the LORD will renew their strength; they will soar on wings like eagles; they will run and not become weary, they will walk and not faint – CSB). From a spiritual perspective, we can see this period as a time of anticipation and preparation. Just as the ancient Israelites looked forward to the latter rains, we too can use this time to prepare our hearts for spiritual growth and renewal. The absence of a specific mention of February in the Bible reminds us that God's truth and love transcend human calendars and time-keeping systems.
