Refuge this Week

Last week, we left off with Jonah being vomited onto dry ground. This week, in Jonah 3, we see God give him a second call to go to Nineveh. This time, Jonah obeys immediately, and when he preaches, the people of Nineveh repent.

This chapter teaches us some incredible truths about repentance. We see that God is a God of second chances, His call doesn't change His call even when you change the timing. We learn that delayed obedience is still disobedience, yet no one is beyond the reach of God. Repentance is about realigning our hearts and responding to His invitation to restoration.
