COOSADA BAPTIST

PACESETTERS

SENIOR ADULT MINISTRY

Pacesetter: Someone who leads by example and establishes a standard or benchmark that others aspire to follow.

Mark my words…

When we get to the month of **November,** we know what that means**…Thanksgiving!** Turkey, dressing, gravy, and all the desserts that come with that special day. But Thanksgiving can be and should be about so much more. It's a time to recognize all the many people we have in our lives, past and present. A few moments of relaxation in what God is doing in and through us. All of these things can be put together in one word**…Gratitude** which is the conscious recognition and appreciation of goodness that comes from outside of ourselves. I want you all to know that my heart is full of gratitude this year because of the ***NEW*** season of ministry I am beginning with you. I pray that our time together brings us closer to one another and to the Lord. With a grateful heart may we be found faithful as we help others ***find*** and ***follow*** Jesus!
